## **IMPORTANT NOTICE**

**Dear Parents,**

The whole COVID -19 situation has posed a challenge to the society at large. Everyone is thinking measures to shield themselves from infections and at the same time doing their level best to keep the wheels of their work / business running. Nevertheless, the lockdown period has resulted in an economic loss to all sectors.

Schools and their teachers are not exempted from these challenges. Overnight, teaching had undergone a digital transformation by conducting classes online to ensure that students' academics does not suffer. In fact, our teachers carried on with their classes even during the summer vacations. Yet in consideration, the school has decided to take some steps to give some financial relief to parents. Thus, it has been decided to exempt all students from paying one month fee.

The school understands the difficulties we all face and would like to make this difficult time a little easier. So, we have decided that those who pay all their due fees till 30<sup>th</sup> June 2021 will get ONE MONTH FEE DISCOUNT. Please bear in mind that this fee discount will only be applicable to those parents who clear all dues till 30<sup>th</sup> June 2021.

We hope that you realize that we are a private school which runs on fees from students. There is absolutely no support to us from the Government. A major portion of the fees collected is spent on paying salaries to our Staff & Teachers. Therefore, I would like to gently remind you that it is very imperative that the school fees are paid.

The school with regular (offline) classes shall start only after we get a directive from the Government. Till then our teachers shall continue teaching through online classes.

We thank you for the patience and understanding that you have shown all through and for reopening faith in us. Keep yourself and your family safe.

Best wishes to you and your family as we face this challenge together.
